REQUEST TO PURSUE DOUBLE MAJOR

This form is for students enrolled in the College of Agricultural, Consumer and Environmental Sciences wishing to complete major requirements for two majors within the College. The form must be completed in full and submitted for review to the College's Academic Programs office, 128 Mumford Hall **no later than 5:00 p.m. of the tenth day of classes in the term of expected graduation.**

Due to federal privacy laws (FERPA), the information in and status of your petition cannot be discussed with anyone other than you as the student without a signed release form.

I have reviewed the following and my initials by each indicate that I understand, agree to, and will comply with each requirement:

_____ **The major with a tuition differential or with the higher tuition differential will be listed as my primary major. Tuition is assessed based on the primary major of record. I understand and have planned for any financial implications associated with this assessment.**

_____ My second major will be officially entered into my student record immediately following approval.

_____ I must earn at least 12 hours of distinct, advanced (300- and 400-level) course work in each major discipline. These hours do not include supporting course work or technical electives.

_____ I must complete all requirements for both majors in a maximum of ten (10) semesters.

_____ I have discussed my academic plans with the departmental advising coordinator (or designee) in my current program of study and in the department of my intended College of Agricultural, Consumer and Environmental Sciences degree (signatures below verifies such).

_____ I will receive only one (1) diploma based on the primary major of record.

_____ I will receive only one (1) degree with two (2) majors.

_____ Both majors will be shown on my official transcript.

_____ Only the primary major will be listed in the University Commencement programs.
