PETITION FOR SUBSTITUTION OF A REQUIRED COURSE

Petitions are to be submitted for all requests of substitutions for required courses. The College of Agricultural, Consumer and Environmental Sciences does not waive total hours required in a degree program. Requests to make a substitution for a required course should be made prior to enrolling in the alternative course; having completed the alternative course does not assure approval. All petitions must be completed in full following the procedural guidelines below before they will be reviewed.

PROCEDURAL GUIDELINES

1) It is the student's responsibility to obtain and submit with the petition any documentation that supports this request. The documentation could include, but is not limited to:
   a) a syllabus for EACH course under review to accompany the substitution request is required;
   b) a catalog description of the course to be used as the substitution; or
   c) an endorsement from the University of Illinois at Urbana-Champaign faculty member who teaches the required course on this campus and who believes the course in question is an acceptable substitution.

2) The completed Petition for Substitution of a Required Course is to be submitted to the student's departmental advising coordinator for review and comments.

3) The completed petition with signatures and all supporting documentation should be submitted to the Office of Academic Programs, 128 Mumford Hall.

4) A decision will be sent via email to the address listed on this form within ten to fourteen business days after submission of completed petition.

Due to federal privacy laws (FERPA), the information in and status of your petition cannot be discussed with anyone other than you as the student without a signed release form.
