**ANSC Study Abroad Programs**

**Why Study Abroad?**

There are over 400 programs available to University of Illinois students. The following are programs that fit well for students in ANSC. Consider your interests, academic goals, and geography and talk to both your academic advisor and the College of ACES study abroad office about what fits your needs. Studying Abroad gives students an edge in the job market; You can impress prospective employers by gaining a global outlook and diverse perspective.

On the back of this sheet are some suggested programs that vary from semester to summer.

**How do I get started?**

Go to www.studyabroad.illinois.edu and watch the “First Steps Video”.

Then do some searches for where you want to go, and what program looks the best for you.

Afterwards, begin an application and apply for scholarships -- [http://academics.aces.illinois.edu/study-abroad/scholarships](http://academics.aces.illinois.edu/study-abroad/scholarships)
