Dale E. and Bernice E. (Smith) Mansperger Scholarship

Scholarships given yearly to students enrolled in one of the following programs of study: Consumer Economics and Finance; Human Nutrition; Dietetics; Human Development and Family Studies or Hospitality Management. Funds were provided by Mrs. Mansperger, a Home Economics graduate of the University of Illinois, and her husband.

Joseph Markunas Memorial Scholarship Fund*

Scholarships awarded to junior and senior students who are Illinois residents. Awards are based on academic merit, financial need, and an interest in biotechnology and/or water resources and conservation. Funds were provided in honor of Mr. Markunas, who received degrees in 1937 and 1940 from the College of Agriculture.

H. Richard McFarland Scholarship

Two scholarships awarded to students from State of Illinois who have farm backgrounds and strong academic and leadership performance.

Vern J. McGinnis Scholarship

Scholarships awarded to students in any year of their undergraduate studies who graduated from a high school in the State of Illinois. Recipients will be chosen on the basis of factors that include, but are not limited to, academic achievement, community and civic involvement and service, and leadership skills.

James Bradley McIntyre Memorial Scholarship

One scholarship awarded to a College of ACES junior level student (second priority to a senior) from Douglas County in Illinois. The scholarship is provided in memory of James Bradley (Brad) McIntyre, a student in the College of ACES at the time of his death in 2002.

George E. and Mary E. Miller Scholarship

Scholarships awarded to students in the College of ACES, with preference for outstanding juniors and seniors with demonstrated interest in sustainable agriculture followed by students interested in farm management careers. Funds were provided by Mrs. Gretchen Markunas in honor of her parents.

Herbert and Regina Krantz Moede Scholarship*

Scholarships awarded to sophomore, junior and senior level students who were born in Illinois, graduated from an Illinois High school, and are current residents of the State of Illinois. Recipients must be employed at least 15 hours a week during the school year, and have a grade point average in the 2.0 - 2.99 (A=4.0) range. Preference is also given to students who are currently participating in the ROTC program. Funds were provided by the late Herbert Moede who received his BS and MS degrees from the University of Illinois, and who worked as an Economist with the United States Department of Agriculture.

Moriarity Family Scholarship in Food Science and Human Nutrition

Scholarships awarded to junior or senior students majoring in food science and human nutrition who are pursuing a concentration in food science or human nutrition. Recipients must have a grade point average of 3.25/4.00 or higher, with first preference to students who are the first generation of their family to pursue a college degree and participated in the Research Apprentice Program (RAP). Second preference is for students who are just the first generation of their family to pursue a college degree. Third preference is to students who may have had one parent pursue a college degree. Fourth preference is to students who have participated in the ACES RAP Program.

Chris E. Morris Scholarship

Scholarships provided to students who are enrolled in the Department of Agricultural and Consumer Economics in the College of Agricultural, Consumer and Environmental Sciences. Recipients shall have demonstrated financial need.

Hugh P. Morrison Scholarship

One scholarship awarded to a senior with a strong academic record, evidence of leadership, and a demonstrated commitment to agriculture. Funded by Pioneer Hi-Bred International, Inc. in honor of Mr. Morrison, who served as president of Pioneer Corn Company of Illinois from 1937-1971.

Eilene Nolan Morton Memorial Scholarship*

One scholarship awarded to a student with financial need from a rural area of Illinois and active in the Illinois 4-H program. First preference is given to students from Christian County. Funds are provided by Kim Ann Morton and family in honor of her mother who spent her life in Taylorville, Illinois as a mother, homemaker, and farm owner.

Eugene G. Mosbacher Scholarship

One or more merit-based scholarships awarded students in the College of ACES, with first preference given to students from McLean County. Funds were provided from Mr. Mosbacher, who was an Extension Service farm advisor in McLean County for 38 years.

Orville O. Mowery Scholarship

Scholarships of varying amount given yearly to students from Macoupin County. Second preference is to students from Alexander, Pulaski, or Union counties, with third preference to students from Montgomery County. Funding from Mr. Mowery, a former Macoupin County Cooperative Extension Service adviser.

Allan G. and Gloria F. Mueller Farm Business Management Scholarship Fund

One of more scholarships awarded to sophomore, junior, or senior students with a 2.75 grade point average or higher (on a 4.0 scale) who are enrolled in the College of ACES. Preference shall be given to students enrolled in farm management, agricultural finance, Ag-business management, animal production or crop production study options. Further preference shall be given to students from an operating family farm where net farm income is the primary source of family income. Funds were provided by Allan Mueller, who received three degrees from the University of Illinois College of Agriculture and taught Agricultural Economics courses at the University of Illinois from 1945 until his retirement in 1985. His wife Gloria, a graduate of the University of Illinois College of Liberal Arts and Sciences, did significant volunteer work in the Champaign-Urbana area.

Herbert W. Mumford, Jr. and Mildred A. Goold Mumford Scholarship

One or more merit-based scholarships awarded to undergraduate students of good moral and ethical character who are enrolled in the Department of Agricultural and Consumer Economics in the College of ACES.

W. Delmer and Beulah Murphy Memorial Scholarship

Scholarships awarded to entering freshmen, with preference given to students graduating from Bement High School, followed by students from Piatt County, followed by other deserving incoming freshmen from Illinois.

Ollie B. Myers Memorial Scholarship

Scholarships awarded to Illinois residents with career interests in agribusiness, agricultural education or crop protection. Other considerations include outstanding participation and/or leadership in agricultural clubs, work, and/or other professional experiences in agriculture. Financial need may be taken into consideration.

William P. Myers Scholarship

Scholarships awarded to students majoring in food science and human nutrition who are pursuing a concentration in hospitality management. Recipients are selected on the basis of financial need first, then academic performance, a recommendation from the HM advising coordinator, evidence of hospitality-related work experience, involvement with the HM Association, and career goals and interest in the hospitality management industry. This scholarship was established by William P. Myers, president of Franchise Management Systems, Inc., Champaign.

Niemann Foods Scholarship

One of more scholarships awarded to students who are residents of Illinois, Indiana, Iowa, or Missouri. Funding is provided by Niemann Foods, Inc.

Daniel and Edna Nies Memorial Scholarship

One or more 1,000 scholarships available to sophomore, junior, or seniors majoring in Crop Sciences or Animal Sciences with an interest in production agriculture. Preference is given to students from St. Clair County or adjacent counties. Funds were provided by Joyce I. Nies, an alumna of the College of ACES, in memory of her parents who farmed in St. Clair County for many years.

George W. Obernagel Scholarship

Scholarships awarded to students with specific career interests in production agriculture or beef cattle production. Funds were provided by Mr. Obernagel, a southern Illinois trust officer and farm manager who has devoted considerable time to numerous volunteer activities related to agriculture and his community.

Robin Orr Food and Nutrition Education Scholarship

Scholarships awarded to students majoring in food science and human nutrition who are pursuing a concentration in dietetics. First preference is for students who illustrate a commitment to community service and express a desire to serve at-risk audiences.

William Pape Agriculture Scholarship

Scholarships provided to students enrolled in an agricultural program in the College of ACES. Preference is given to residents of Warren, Mercer, Knox, Henderson and McDonough counties in Illinois, and participation in 4-H, FFA, speech, debate, and mathematics-related courses is also given consideration.

John Philemon and Villa Sprague Stout Scholarship

Scholarships of varying amounts awarded annually to College of ACES students. This fund was established by R. Philemon Stout, son of John Philemon and Villa Sprague Stout, in memory of his parents.

John D. Phillips Scholarship

Scholarships of varying amounts awarded annually to College of ACES students. Preference is given to students from Tazewell County.

Helen House Phipps Scholarship

Scholarships awarded to students majoring in food science and human nutrition on the basis of academic merit and potential to contribute to professions relating to areas of study in the department.

Marion Piper Memorial Scholarship

Scholarships awarded to students enrolled in one of the following programs of study: Consumer Economics and Finance; Dietetics; Human Nutrition; Human Development and Family Studies or Hospitality Management. Funds were provided by the estate of Marion Piper, a graduate of the University of Illinois in Home Economics and a former home economics advisor for the University of Illinois Extension Service.

Robert L. and Sue H. Randall Family Legacy Scholarship*

Scholarships awarded to students with financial need, with preference given to students from Edgar County. This scholarship was established by David Randall and Susan Dahlstrom Randall in honor of David's parents, Robert and Sue Randall, and their Illini family legacy.

Bonnie Puls Raths Memorial Scholarship

Scholarships awarded to junior or senior students majoring in food science and human nutrition (FSHN). This scholarship is intended for students who are participating in research in FSHN, exploring an interest in someday pursuing a Master's or Ph.D. It is the preference of the Donor that the recipients be U.S. citizens from a rural community. Additionally, first preference will be for students from Logan or Adams Counties in Illinois. Second preference will be for students who are legal residents of Illinois.

Hadley Read Memorial Scholarship

Scholarships awarded to students majoring in agricultural communications.
