Program Summaries

FACULTY LED:
The International Business Immersion Program - Brazil (Winter Break)
This 2-week program puts students in the shoes of a global executive as they walk through a marketing channel. Three components comprise the IBIP experience: a preparatory course during Fall semester; a 14-day immersion tour allowing students to view and understand the issues they've studied; and a public, on-campus presentation and video screening of the group’s research findings during the spring semester.

ACES in Italy: Leadership Study Tour
This 2-week study tour leadership tour to Italy allows students to engage with Italian history, culture and the lessons we can draw for leadership in today’s world.

SUMMER:
ACES Study & Intern in France: El Purpan
This program in the south of France involves 1 month of courses studying French language as well as viticulture and enology. The second month of the program, students participate in an internship on a French vineyard, dairy or other agricultural site while living with a host family. There is also a semester program at Purpan with a French language requirement.

IAGE Illinois in Italy: Study and Intern on Food
The Illinois Center in Rome program offerings focus on the critical study of culture, systems and politics of food in Italy. The summer program will consist of 4 weeks of coursework in Rome, followed by an optional 4-week internship in locations throughout Italy depending on the internship placement

SEMESTER:
IAGE Food and Culture in Rome
The Food and Culture in Rome program focuses on the critical study of culture, systems and politics of food in Italy. The program is offered during the summer or semester-long. Each term will have unique elements. Fall semester focuses on food marketing and business, while the spring semester program offers courses in food and media. There is also a shorter, summer program.

ACES Study & Intern in South Africa
This program in South Africa provides students the opportunity to study and intern in Cape Town. Coursework at the University of Western Cape provides the foundation for understanding historical and contemporary South Africa. Students will enroll in 2 courses at UWC, and internship course and complete an internship placement throughout the semester. Students will not only gain an understanding of current affairs in South Africa, but also valuable professional experience. This program is available for the spring semester and is open to all majors.

ACES in New Zealand at Massey University
Massey is New Zealand’s premiere institution for the life sciences and agriculture. The city of Palmerston North is conveniently close to west coast beaches, and within easy driving distance to the Hawke’s Bay wine region, skiing and snowboarding at Mt. Ruapehu, and New Zealand’s capital city, Wellington. A summer study tour is offered with an internship in Hawke’s Bay or students can study at Massey for an entire semester.
