Project Title: _____

PROJECT PROPOSAL OUTLINE (2-3 Pages)

Be sure to include all of the following items in your proposal.

1. **Objectives:** Provide a clear, complete, and logically arranged statement of the aim of the research.
2. **Significance of Project:** Explain the importance of the problem to be investigated within the context of your field of study.
3. **Review of Key Literature:** Briefly summarize previous research related to the problem.
4. **Literature Cited:** List key references cited in the "Review of Key Literature" section.
5. **Procedures:** Describe the essential working plans and methods to be used in attaining each of the stated objectives.
6. **Work Arrangements:** Indicate where the research work will be conducted, along with the availability of specialized facilities and equipment needed.
7. **The Research Advisor needs to attach a signed statement attesting to the originality and appropriateness of your project.** (A printout of an email message from your Research Advisor is fine.)
8. **Include a project budget that itemizes all funds necessary to support the proposed research. The maximum funding request is (\$2500 for Campbell).** Allowable expenses include lab supplies, other disposable supplies, and off-campus travel necessary to collect data. **Funds will not be provided for labor or major equipment purchases.**
